I, Ashton Deroy, of Napanee, Ontario, MAKE OATH AND SAY THAT:

1. This null and voids previous Legal documentation including affidavits as they were lies.
2. Shane Fraiser has sexually assaulted me in 2012 and was never held accountable. There were also incidents where we were pressured to include him in the family. Long after we said we were no longer comfortable doing so.
3. Ashton Deroy has had to save their own life multiple times and still actively fears death by Seizures. For that demands access to medical Marijuana with family assistance.
4. Ashton Deroy requires the use of Multiple Personalities to screw with their entire family at will. This will be done through Method acting and getting high as a kite. This is covered under God Complex but Ashton Deroy is not to play God.
5. Medical Marijuana dedicated for Ashton Deroy's personal use must be provided on Family trips.
